

Public Relations and Media
2014 – 2015
Chairman: Nancy Beyer

Our chapter currently has a good relationship with the CDA Press. We had press coverage for the following:

- William's Story – the story of how HODAR William Crawford found his biological family after a 30+ year search with help from Nancy Beyer and DNA.
- Promotion of Applebee's fundraiser
- Historical marker placed by chapter at the Jewett House
- American History essay contest—both promoting the contest and recognizing winners
- Constitution Week
- Vietnam 50th Anniversary program

We are also visible in the community through library displays for Constitution Week and flyers distributed to promote fundraising events (Applebee's, Texas Roadhouse).
